SMALL GROUP QUESTIONS:

1. What kind of sin did Adam and Eve commit? ***They ate from the tree of the knowledge when God had told them not to. God told them that they had to leave the garden, but God always loved them.***
2. What did Adam and Eve's first son Cain do? ***He killed his brother Able.***
3. As the human race continued to grow across the earth, hatred, jealousy, and death spread with them. God was angry and had had enough. What did God decide to do? ***God felt sorry that he made humans and decided to start over.***
4. Who did he ask for help and what did he tell this person to do? ***God called on a righteous man named Noah and told him to build an ark (a huge boat). He told him to fill it full of animals...two of each kind and lots of food!***
5. What happened when Noah finished building the ark and he, his family and all the animals got on? ***It started to rain. It rained for forty days and forty nights and a great flood covered the earth and everything died except for Noah and his family and the animals.***
6. When the rains finally ended and the flood drained away what did they see and what did it mean? ***They saw a rainbow from God and it was God's promise that the world would never be destroyed again by a flood. God gave the rainbow as a sign of HOPE!***
